WE HAVE been so busy running to the doctor we forgot to write an ad for the evening attempt. Yes, ma'am, we are still in the real estate business out here on South Highway with a lot of nice properties on our list. Irrigated farms, stock ranches, business chances, income properties. Quite a lot of folk are trade minded and if you have something to trade maybe we can match it. Of course if you insist and have good reference we will let you pay cash for most anything on our list. We know this Central Oregon country like a cow knows her calf and we have been here a long time—too long some folk think.

WE HAVE a lot of folk writing and calling for small acreage units, improved and unimproved that they can buy for small down payments. If you have such a property for sale or trade we would like to look it over. A call will start us on our way.
