PROBING THE UNKNOWN

Early dawn at Cape Canaveral... and out of the flaming roar a finger of science probes the unknown.

Man has never been content to live behind a curtain of mystery. He must seek... discover... explore.

Nor is man's soul less eager than his mind!

For if we are meant each day to learn one more truth of our environment, we are meant, too, to learn one more truth of our Creator. There is hope that scientific probing can enrich our physical life; there is promise that religious searching will deepen our spiritual life.

Tomorrow depends on every lesson learned at Canaveral. But, to even greater degree, on every truth learned at Church.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
