

## Lewis bows to governor, gives up SIAC post

SALEM (UPI)—Industrial Accident Commission Chairman Sidney B. Lewis bowed to the governor's demands today and resigned from his \$11,700 a year position.

Commissioner Emily P. Logan insisted again today that she would not resign.

Gov. Mark Hatfield last week charged both with "inefficiency in office" and demanded their resignations.

Both Lewis and Mrs. Logan initially announced they would not quit, and demanded a public hearing.

Hatfield has scheduled a hearing for next Monday afternoon.

**"Will Appear"**  
Mrs. Logan told UPI today "I will appear at a hearing."

"I didn't say whether I would or would not appear at the hearing scheduled Monday by the governor," she said.

Lewis and Mrs. Logan both said they asked the governor for a bill of particulars as to why he had demanded their resignations.

Lewis told newsmen today he was quitting because the governor refused to outline reasons for the charges.

"My relationship with the governor has been destroyed by this. I can't appear at a hearing if I don't know what the charges will be. It's like running up a blind alley when there are no specific charges to fight."

Lewis submitted his resignation, effective June 24, to Hatfield's office this morning.

He wrote: "Upon careful deliberation I have decided that there is nothing to be gained by my appearance at the scheduled hearing on June 24. As you told me, you are the prosecutor, judge and jury."

**"Political Machinations"**

"Such political machinations can and probably will deter qualified, dedicated people from entering the field of government."

"My record in business and in government obviously refutes your unsubstantiated charge of inefficiency in office."

"I now tender you my resignation. I consider that you, in denying me my inherent civil rights, have violated your oath of office."

Lewis said he assumed he was fired because he refused to help the governor force Mrs. Logan to resign.

Lewis, employers' representative on the commission, was named to the job by Hatfield in 1960, and was reappointed to a full four-year term this January.

Mrs. Logan, public representative, also was named to the commission by Hatfield. Her term runs until Jan. 2, 1965.

"I'm going to play some golf," he said.

## Attendance up in playground program here

Attendance is still increasing, with more registrations expected next week, on the two recreation departments sponsored playgrounds. The Summer Playground Program is open to prospective first graders through those youngsters 14 years of age on both Harmon-Allyn playgrounds.

Each morning the children are lead in competitive and various other types of games. Afternoons are devoted to crafts, with the younger ones participating first. They will work with crayons, play dough, mobile animals, and Tempera paint.

Older children will make stencils, construct Plaster of Paris articles, make crayon etchings, and Bob pictures, according to Mrs. F. A. Starkey, craft instructor.

Pet Day is set for Wednesday morning at Harmon playground, and Thursday morning at Allen. Children may bring any of their pets to display.

Harmon will be host to Allen playground for a carnival next Friday afternoon. Closing hour will be 3:30 p.m.

Junior helpers this week who are new to the playgrounds are Sharon Fasset, Chris Bowles, and Bobbie Shield. Additional helpers are needed at Allen School. Any additional information needed may be acquired by calling the Recreation Department.

## FUNDS AVAILABLE

WASHINGTON (UPI)—Rep. Robert B. Duncan, D-Ore., said today the Post Office Department had made funds available for an addition to the federal office building in Grants Pass.

Duncan said the funds would also cover some remodeling and improvements to the post office portion of the building, including new lighting and painting. Included in the extension will be a new paved area and a new platform, he said.

**TO TOUR EUROPE**—These four Bend High School graduates will visit nine countries in Europe this summer, on an American Heritage tour. They started the trip this morning from Portland; will tour across continent through Canada, fly across Atlantic. From left are Janet Henkle, Sharon Cooper, Kathleen Graham and Martha Pence, to join large group.

## Four Bend High girls off on European trip

What could be more fun for four Bend High School senior girls than a summer in Europe?

Janet Henkle, daughter of Mr. and Mrs. Virgil Henkle, 1639 E. Eighth Street; Martha Pence, daughter of Dr. and Mrs. Donald Pence, Blakely Heights; Kathleen Graham, daughter of Mrs. Nell Graham, and Sharon Cooper left today for almost three months in Europe, under sponsorship of the American Heritage Association.

The four girls will join 60 other Pacific Northwest students in a trip across the continent before flying to Europe. After leaving Portland today, the group goes to Vancouver, British Columbia. From there, via Canadian Pacific Railroad, they all go to Montreal. A flight from there will land them in London on June 25.

The entire group will bring back memories from England, Belgium, Germany, Austria, Italy, Luxembourg, France, and The Netherlands.

A five-day bicycle trip is planned through The Netherlands. So as not to be dubbed as "typical tourists," the group will stay mostly in the youth hostels which are scattered throughout Europe. The trip will wind up in Portland on August 17.

## Woman hurt in accident

A resident of Chilcoquin, Millie Du Bois, was injured Thursday about 3 p.m. on U.S. Highway 97 about 25 miles south of Bend when she lost control of her car, which turned over. She was brought to the St. Charles Memorial Hospital in the city ambulance.

After receiving first aid, Mrs. Du Bois, only occupant of the car, was released.

## PHARMACEUTICAL GROUP DUE SUNDAY FOR BEND CONVENTION

Headed by a Bend man, Richard W. Brandis, as president, the Oregon State Pharmaceutical Association will open its 74th annual convention here on Sunday, with business sessions to continue through Tuesday.

Some 300 pharmacists and their wives are expected from all parts of the state. Meeting jointly with the men will be members of the OSPAA Auxiliary, headed by Mrs. Burton Lundahl. Convention headquarters will be at the Pilot Butte Inn.

Roger Smith, Bend, is convention chairman. His aides are other Central Oregon pharmacists—Bud Rose, Duff McAndie, Malcolm Woodward and Jay Jagels.

## PHARMACEUTICAL GROUP DUE SUNDAY FOR BEND CONVENTION

The pre-convention program will open Sunday at 2 p.m., with a Kappa Psi luncheon at the Copper Room. The OSPAA board of trustees will meet at the Pilot Butte Inn at 4 p.m. A cocktail hour Sunday evening will precede a buffet supper.

Preceding the formal opening of business on Monday at 9:15, when the large group will be welcomed to Bend by Mayor E. L. Nielsen, the pharmacists and their wives will join in a breakfast at the Rim Rock Riders quarters north of town.

Dean Charles O. Wilson of the Oregon State University School of Pharmacy, will be one of the Monday speakers.

The 1963 awards banquet will be held at a barbecue dinner Tuesday at 7:30 p.m. on the Pilot Butte Inn lawn. Aside from convention business, many events have been arranged for both men and women.

Final events will be the President's banquet Tuesday at the Pilot Butte Inn, at 7 p.m.

## INJURIES FATAL

EPHIRATA (UPI)—Ivan Emery, Cascade Locks, Ore., died late Thursday on route to a Spokane hospital after suffering severe injuries in a fall at the Bonneville Power Administration substation at Vantage.

Grant County Sheriff Ralph Hill said Emery was walking on a narrow cross-bar several feet off the ground. He lost his balance in a strong wind and fell, hitting his head on a concrete abutment.

## Firemen save bunkhouse, shed

Bend fire crews saved most of a bunkhouse and storage shed that caught fire Thursday morning on the premises of Clarence F. Jensen, Glen Vista Road.

Two rigs responded, and only small damage occurred. Firemen prevented the flames from reaching the tool section of the shed and a small boat kept inside.

## Workshop moved to fairgrounds

PRINEVILLE — A demonstration workshop on the art of preserving flowers and other materials now, for later winter arrangements, will be held on June 27 at the Crook county fairgrounds instead of the basement rooms at St. Andrews Episcopal Church, according to Mrs. Maud Purvine, home economics extension agent.

Date for the workshop is June 27, at 10:30 a.m., and all interested women of the county are invited to attend.

## Bobby scores discrimination

PHILADELPHIA (UPI)—Atty. Gen. Robert F. Kennedy said in an Independence Hall speech today that racial discrimination "is not worthy of us."

He called on all Americans to work for its abolition. The President's brother said the nation should not wait for Supreme Court rulings to strike down racial barriers in housing or employment.

"These are moral issues, not legal ones, and their constitutionality is a matter of common sense," Kennedy said.

The attorney general said the Constitution can too easily become a crutch for inaction — an excuse for maintaining the status quo, if it is narrowly interpreted.

Kennedy, speaking at ceremonies celebrating the 175th anniversary of the ratification of the Constitution, said the spirit of the document points the way to an end of discrimination.

## Sums approved for projects

MEDFORD (UPI) — Federal grant projects for sanitary facilities throughout Oregon were approved today by the State Sanitary Authority (SSA) at a meeting here.

The 13 projects, in order of priority and based on anticipated federal revenue, include:

Salem \$800,000; northwest Portland \$39,840; Sherwood \$56,700; Brownsville \$58,200; Sunset Valley Sanitary District \$70,260; Manhattan Sanitary District \$20,130; Dayton \$24,000; Pendleton \$6,300; Empire \$74,100; Gold Beach \$32,620; Tigard \$95,630; White City \$35,340; Talent \$31,450.

Should any of these fail to meet necessary requirements, such as bonding elections, the SSA said monies would be given to others with lesser priority. It listed four of these as Corvallis \$62,100; Lebanon \$27,980; Dufur \$18,000 and Huntington \$11,400.

The SSA approved enlargement of the Western Kraft Corp. plant at Albany from a 250-ton to a 375-ton per day capacity, providing certain requirements set by the SSA are met.

It also approved installing of sewer lines in the Woodburn Senior Estates but said they could not be connected to the present sewer system as new streets, curbs and gutters are being installed.
