drowsy afternoon

It is good to lie down on the grass and look up into the sky. Your mind starts to wander — the way it always does when you take the time really to look at it. The heaven is so immense that you can't find a word big enough for it. Those thunderheads, building up in the west — they are so huge that they dwarf the work of man into total insignificance.

The stars are still up there too. We can't see them in the daytime and always this seems strange. But they are just as much there as they are at night — and you don't have to see them to know it.

You don't have to see God either, to know that He's there — though some people seem to feel it's something that has to be proved. They couldn't be more wrong. God's evidence is everywhere. Just walk into a church on Sunday and sit down and listen awhile, and then you will know for sure.

THE CHURCH FOR ALL — ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and read your Bible daily.
