WELL, WELL, WELL,
THE CHINESE are after Mr. Screw-chief and he is looking for some friends. Don't sell the wily Oriental short. One of them discovered America before Columbus was born but went home when he found the Indians had no shirts to wash. We have an idea Mr. Screw-chief may get his shirt laundered before He is through with them.

WE DO A LOT of "outside" advertising and as a result we have a lot of "outside" buyers on our list. We are selling quite a lot of real estate these days and need more to sell. Stock ranches and irrigated farms are our specialty, but we need listings in business properties. We have a capable, experienced staff who know their way around. A phone call or letter will get an inspection and a frank expression as to what we think about your property and price.
