

Unknown leads PGA as Arnie takes 74

DALLAS (UPI)—Unknown Dick Hart held a three stroke lead but U.S. Open champion Julius Boros had what Arnold Palmer called "the position" today as they teed off in the second round of the PGA golf championship.

Hart, an assistant pro from Hinsdale, Ill., shot a five under par 66 to match the course record in the opening round and take a three shot lead over five of the big names — Boros, Masters champion Jack Nicklaus, British Open champion Bob Charles, husky Mason Rudolph and blond Shelley Mayfield.

But Palmer, who shot an opening 74 along with defending champion Gary Player, felt that the "rub of the green" favored Boros to gain the halfway lead when the field is cut to the low 75 and the tonight for closing rounds Saturday and Sunday.

Started Off Early
"Hart, Nicklaus and Charles all got off early in the traffic," Palmer explained, alluding to the bulky field of 167 which tramped over the drying greens in 100-degree heat at the DAC course.

"When you go off late over these chipped up greens, like Boros did, you have to consider he played terrifically. Well, he goes off early today and Nicklaus and the others have to cope with those spike marks."

Palmer expected to improve, too, as he makes a run for his first PGA title, for the chewed up greens irritated him.

"I had four three-putt greens for a total of 36 putts," said Palmer, who started strong by being one of nine players to eagle the 521-yard par five first hole. "But when you have to take that many putts, what can you do?"

Chalked Up An Ace
The 27-year-old Hart chalked up the second ace in the medal play history of the PGA when he holed his four iron tee shot on the 216-yard par three 16th hole. That helped greatly as he jumped into his three shot lead over the big five.

Another stroke away with one under par 70's came six others. They were Tony Lema, who was three under the card until he caught the barbed wire rough to double bogey the 16th hole; former champion Doug Ford, Earl Stewart of Dallas, Charles Condon of Tacoma, Wash., Aussie Bruce Crampton and Bernie Haas of Pittsburgh, who collapsed after being five under par at one point.

Former U.S. Open champion Gene Littler was among those at even par 71 along with Sammy Snead, Stan Mosel, Manuel De La Torre, Bob McCallister, Wes Ellis and Bill Johnston.

Rams release Miller, await OSU's Baker

LOS ANGELES (UPI)—The Los Angeles Rams football team made room today for the arrival of Heisman Trophy winner Terry Baker after the Chicago All-Star game by releasing quarterback Ron Miller.

Miller, former University of Wisconsin star, was released Thursday night by the national football league team. He had been placed on waivers, but was not claimed by another team. He is now a free agent.

The release now leaves the Rams with Roman Gabriel, regarded as the No. 1 signal caller, and Zeke Bratkowski in addition to Baker.

Eagles, Healy's grab Little League wins; milkmen forfeit

Only two games were played Thursday night in Bend Little League play.

A third scheduled game between Medo Land and Brands was declared forfeited by Medo Land when not enough players showed up.

In other games, the Eagles defeated Cascade Gas 8-1 in the National League and Healy's crushed Miller Lumber 12-2 in the Cascade League.

In the Eagles - Cascade Gas fracas, Gary Dresser was the winning hurler, spinning a neat two

Matter of percentages

Sonny: should put Floyd away sooner

LAS VEGAS, Nev. (UPI)—Heavyweight champion Sonny Liston said today he hoped to knock out Floyd Patterson in about 84 seconds of the first round of their return title fight Monday night at the Las Vegas Convention Center.

Sonny, who has become an expert on percentages from his scholarly discussions of the noble art of rolling dice with pit-men and stick-men at the Thunderbird Hotel, said:

"It took me 2:06 of the first round to flatten Patterson at Chicago last September. Well, on the way I took care of Cleveland Williams in our two fights, I figure I should put Patterson away one third faster this time."

Sonny, praising Williams of Houston, Tex., as the "best man I ever fought," said he knocked out Williams in the third round in 1959 and in the second round in 1960.

Meanwhile, promoter Al Bolan announced that the advance sale of \$160,000 indicated a gate of between \$250,000 and a sellout of \$320,000.

He said he was sure the gate would beat the Nevada record of \$270,775, established by the Jack Johnson-Jim Jeffries fight at Reno, Nev., in 1910. The capacity for paid spectators at Monday's fight is 7,991.

Coach says sprinters should be U.S. stars in Moscow

MOSCOW (UPI)—The individual stars of the Russian-American track meet this weekend will be veterans Valeri Brumel and Igor Terovanyan for the U.S.S.R. and Bob Hayes, John Gilbert and John Pannel for the U.S.A.

At least that's the opinion of the two respective coaches, Russia's Gabriel Korockov and Payton Jordan of Stanford.

Appearing on a Moscow television program Thursday, Korockov pointed to high jumper Brumel and broad jumper Terovanyan as his outstanding prospects. Both men hold the world record in their specialties.

Korockov also expressed optimism regarding two of his younger runners, Yuri Tyurin in the 5,000 meters and Alla Chernyshova in the 80 meter hurdles.

Jordan urged his Russian audience to pay special attention to sprinter Gilbert of Santa Barbara, Calif., and Hayes of Florida A&M. Hayes recently broke the world record for the 100-yard dash at the U.S. National AAU track and field championships with a clocking of 9.1 seconds.

"Also not to be overlooked is John Pannel," Jordan added in somewhat of an understatement. Pannel, who is "subbing" for the injured Brian Sternberg, set the world pole vault record in London with a jump of 16 feet, 8½ inches

Emeralds drop second straight 10 inning game

The Eugene Emeralds aren't about to give up without a fight, but sometimes it seems like they might as well.

The Northwest League's cellar-dwelling Emeralds dropped their second consecutive 10-inning baseball decision to second-place Yakima Thursday night. The winners eked out their 5-4 victory margin on a hit by Tippy Johnson, a walk, and a bounce over the shortstop's head.

Lewisston scored six runs in the 10th inning to down Tri-City 8-2 in another extended game. Two 10th inning relievers were unable to bail out Mike Lee, who suffered his seventh loss against five wins. Don Marrs drove in two for Lewisston with a homer in the fifth, and Tri-City's Terry Banderas soloed in the seventh.

Twins 9, Yanks 3 as Terry loses; Dodgers victors

for the last four innings. Russ Snyder and Bob Johnson had three hits each to pace the Orioles' 15-hit attack.

Relief sensation Dick Radatz gained his 11th victory of the season against only one loss with two innings of shutout relief that preserved the Red Sox' victory over the Athletics. Doubles by Dick Stuart and Russ Nixon and a single by Dick Williams, who had four hits, were the big blows for the Red Sox while Norm Siebern hit two homers for the Athletics.

Terry became the toast of the baseball world last October when he beat the San Francisco Giants, 1-0, in the seventh straight world title under manager Ralph Houk. He was the all-American cover boy of the national mags, the former Boy Scout who made good in a tough, competitive field and a young man with a seemingly limitless future.

Today, he's a bewildered 27-year-old pitcher with an equally bewildering 9-10 season won-lost record.

Terry's 1963 record dipped below the .500-mark—compared with his resplendent 23-12 mark of 1962 when the Minnesota Twins blitzed him in five innings Thursday and went on to a 9-3 victory. The loss trimmed the Yankees' first-place lead over the idle Chicago White Sox to six games.

Rich Rollins drove in five runs with a homer and a double and Don Mincher had a double and two singles to lead the 12-hit Minnesota attack. Camilo Pascual, out of action with arm trouble since June 30, received credit for his 10th win against five defeats. Elston Howard homered for the Yankees.

The Baltimore Orioles defeated the Detroit Tigers, 8-6, in 11 innings and the Boston Red Sox beat the Kansas City Athletics, 10-6, in other American League games.

In the National League, Los Angeles defeated Pittsburgh, 10-5, Chicago topped Milwaukee, 3-2, San Francisco shaded New York, 6-5, Cincinnati defeated St. Louis, 6-3, and Philadelphia tripped Houston, 5-1.

Joe Gaines' two-run 11th-inning double gave the Orioles an uphill victory and ace reliever Stu Miller his fourth win of the season. Miller, who now has been the closest pitcher in the Orioles' last eight victories, stopped the Tigers on one run and four hits

Yachts continue to straggle in Pacific race

HONOLULU (UPI)—The "also rans" of the 1963 Transpacific yacht race continued to straggle across the Diamond Head finish line today, but at least one award winner was still on the high seas.

There is a special award for the last of the 32 competitors to complete the 2,225-mile run from San Pedro, Calif., to Hawaii.

The likely contenders were the Typhoon, which was dismantled early Tuesday, and the 38-foot early-lying ketch Solveig.

The Typhoon, a 38-foot sloop which is continuing under a jury-rigged sail, hopes to reach Diamond Head early Saturday, but the Solveig is not due until Sunday morning—which means her crew will miss the Saturday night awards presentation luncheon.

The winner of the biennial race classic was the 40-foot sloop, Islander, owned by Thomas Corke of Rolling Hills Estate, Calif. She made the trip in a corrected time of 10 days, 5 hours, 56 minutes and 47 seconds.

108 ENTER RACE

KENT Wash. (UPI)—A total of 108 drivers have registered for the \$10,000 U.S. road racing championship at Pacific Raceways this weekend. The drivers include, Pedro Rodriguez, Skip Hudson, Bob Holbert, Dave Ridehour and Jerry Grant.

Season record goes off board

Legion playoff Saturday, Sunday

game this week by not practicing," Bauer said.

"We don't need practice, we need rest," Bauer said with a faint smile.

Bend has beaten The Dalles in the two clubs' only encounter of the season in the July 4th tournament at Roseburg by a score of 5-1. Bob Kelly, the only pitcher to beat Bend twice in high school play suffered the loss for The Dalles.

Ken Jaeroux, Bob Kelly, Paul Duns, Bill O'Gorman and Steve Huff are expected to be carrying the big sticks in The Dalles' batting order.

Kelly and Duns will probably be handling the majority of the pitching duties.

The Dalles, playing out of a three-team loop consisting of Condon and Hood River - West in addition to themselves, eliminated Hood River from contention for the league title last week by bombing them 17-2 and 7-1.

The Indians, loaded with experienced players, rapped out 27 hits in the two games, 20 of them in the first clash. The Dalles' pitching was almost as effective as their hitting.

Bend will be fielding a young but certainly experienced squad in their defense of the Area 1 Legion crown that has almost gotten to be an annual occasion.

The Bend squad of the current season doesn't measure up to the standards of some of the teams of the past, but has given indications that it will develop into real championship material.

The 37 games played by the Bend aggregation this summer, together with the almost 20 played during high school ball puts the number of games that the Bend boys have played in up into the high 50's.

Bauer plans to go with almost

the same line-up that he has used all season.

Usually, when at full strength, Bauer will start Val Lewis at catcher, Larry Barnes at third base, Jerry Wetle at short stop and Mike Clark at second base. Lately, however, Clark and Wetle have been switching positions because Wetle has developed arm trouble and can't make the throw from short.

The rest of the infield usually has state all-star first basemen Chris Kirby at first base. Kirby, who played for Forest Grove during high school, just recently came to Bend and has helped bolster the lagging infield defense somewhat.

The outfield will probably have Benny Hamilton in left field, Dave Shelton in center and Don Watrous in right field.

Bauer will probably pick his starting pitchers from a group consisting of Paul Wardlaw, Bill Bauer, Darald Parsons and Mike Metke.

Bob Warrington and Glen Cook have also seen plenty of action for the Bend squad and may be used in the playoffs.

Bend will be the underdog at game time tomorrow, but out of a feeling that he is loyal to the fact that Bend has played better baseball consistently against the good teams than they have against the rinky-dink and the fact that Bauer has stated that he is going to shoot the works in order to win the first one, we'll pick Bend to win in three games.

Besides, with all that experience and a week's rest to boot, how can they lose?

LDS, Coca Cola softball winners

Unbeaten Latter Day Saints continued their winning ways last night by shutting out the Sisters Merchants by a score of 4-0 in the first game of a softball doubleheader.

Victory was credited to pitcher Roger Steen who struck out twelve and allowed only two hits.

Chuck Mills pitched a one-hitter for the Coca Cola nine as they defeated The Snack of Gilchrist by an 8-1 score.

A booming home run by Harry Little in the third inning contributed much to the Coca Cola cause.

San Diego stars plan to play out their options

BOULEVARD, Calif. (UPI)—Two key members of the San Diego Chargers American Football League team have announced they will play out their options for 1963 and will not sign for 1964.

Halfback Keith Lincoln, rated the Chargers' most valuable offensive player last year, and defensive end Earl Faison, rookie of the year in 1961, said they were dissatisfied with the offer made by General Manager Sid Gillman and would not sign a new contract. Lincoln attended Washington State and Faison is from Indiana.
