Seed-spitting mark tumbled

RALEIGH, N.C. (UPI)—Wally Ausley, a local boy, spat a watermelon seed 35 feet and six inches Wednesday.

The unheralded Ausley's remarkable performance astounded the crowd, shamed his competitors and broke the watermelon festival record.

The old champion, John Alexander, once spat a watermelon seed 34 feet. His best effort Wednesday was 29 feet, but it appeared that would do.

Then Ausley stepped to the foul line, bit off a hunk of watermelon and carefully selected a likely seed with his tongue. He held the seed between his teeth, wafting air around it to dry it off.

Then he leaned his 200-pound frame forward, squinted and loosed a mighty spit that brought gasps of wonder from the crowd. "It's just a matter of conditioning," said Ausley modestly.

Jansen-Jordan vows exchanged at church here

Special to The Bulletin
REDMOND — Miss Sharon Lee Jansen, daughter of Mr. and Mrs. Alfred F. Jansen, 1635 W. Second Street, Bend, became the bride recently of Gerald Ward Jordan, son of Mr. and Mrs. W. H. Jordan, Redmond. The candlelight double-ring ceremony was held in the Redmond Christian Church.

The bridegroom's brother-in-law, the Rev. Robert Lane, Seattle, officiated. A pink and white color theme was carried out in gladiolus, roses and carnations. Mr. and Mrs. John Schmid, Portland, sang two numbers, with Mrs. Schmid playing the piano accompaniment.

Maid of honor was the bride's sister, Miss Eileen Jansen, Bend. The bridegroom's sister, Mrs. Robert Lane, Seattle, and Miss Cherie Jordan, Redmond, were bridesmaids.

Ring bearer and flower girl were a nephew and niece of the bride, Mark and Kim Stapleton. The bridegroom's nephew and niece, Mike and Dena Jordan, were candle lighters.

The bridegroom's brother, Ray Jordan, Vancouver, Wash., was best man. Also attending the bridegroom were another brother, Laddie Jordan, and son, Bill, Redmond. The bride's brother, Norman Jansen, Bend, ushered.

A reception followed the ceremony in the church parlors. Those assisting were Mrs. Hal Stapleton, Mrs. Harold Stapleton, Mrs. Ray Jordan, Mrs. Laddie Jordan and Mrs. Bob Baltimore.

After a wedding trip to the coast, the newlyweds left to make their home in Medford, where Jordan will be on the staff of First National Bank. He recently completed executive training at the bank's Bend branch, where his bride had been a bookkeeper.

Blazes keep firemen busy

Three fires in two hours' time kept Bend fire crews hopping Wednesday afternoon.

The first, at 2:34 p.m., spread over more than an acre of brush, grass and trees north of the Tumalo community. Two engines responded and nearly four hours were consumed in fighting the fire. A boy's firecracker was blamed. Damage to the landscape was heavy.

A grass fire in town, reported at 3:22 p.m., caused no damage on private property at the 1400 block on West First. Hot ashes were blamed.

At 4:35 p.m. crews drove a rig to douse a fire that started in the rubbish in Chofard's garbage truck.

CAB requested to review order

SALEM (UPI) — Two state agencies have asked the Civil Aeronautics Board to review its order which would have eliminated West Coast Airlines service in Salem, Lakeview and Burns.

The petition to the CAB was sent by Public Utility Commissioner Jonel C. Hill and the State Board of Aeronautics.

The CAB order on West Coast's operations was scheduled to go into effect next week, but the petitions from the state agencies and several Oregon cities will delay its implementation.

The petition filed by the state agencies argues that the airline has never instituted a usable commuter service between Ontario, Baker, Pendleton and Portland.

It points out the order doesn't direct the airline to institute service between Boise, Idaho, and Portland with Burns, Bend and Salem as intermediate points.

It also questions the CAB's policy and discretion in recommending the deletion of Lakeview as a service point in light of inferior

Dior skirts just barely cover knees

PARIS (UPI)—The House of Christian Dior today launched a collection emphasizing belted waists, wide shoulders and keeping skirts just barely covering the knees.

The fall-winter collection, designed by Marc Bohan, included suits with short, semi-skirted jackets and straight skirts.

Dior also showed a "morning suit"—a longer, fitted jacket buttoned high to the neck and worn over a belted jumper.

For street wear he showed a two-piece dress that bloused at the hip. Many of his skirts were cinched around the waist with leather belts. Sleeves were long and cuffed.

Coats had large collars. Some that were belted had wide armholes and accentuated shoulders.

The big color in the Dior collection was "Christmas tree green." Lakeview - Portland service that has been offered and lack of service to Reno, Nev.

The House of Dior presented its shoe collection Wednesday. In line with the fashion for knee-high boots, several varieties were shown: in black leather, laced up the front, in a flat black pony fur and in chartreuse silk sprinkled with jet beads for evening. The tall boots showed up again Wednesday in the collection of Michel Goma, the first he has made for the House of Jean Patou. The model wore them with an unusual camel's hair coat with panels slit to the waist that swished when she walked.

Aid voted out for Indonesia

WASHINGTON (UPI) — In a rare expression of disapproval of another government, the House Foreign Affairs Committee voted today to end U.S. aid to Indonesia unless President Kennedy makes a formal finding that it is vital to U.S. interests.

Rep. William S. Broomfield, R-Mich., author of the proposal, said the vote "wasn't even close." He said the action was "definitely bipartisan" and emphasized congressional concern over the activities of President Sukarno's regime.

The committee's decision was a major about-face. The group turned down a similar move by Broomfield last week while meeting behind closed doors on President Kennedy's foreign aid bill.

Broomfield said in a statement today that "there should be no doubt in anyone's mind—even that of our State Department—that President Sukarno is going all-out to prevent the federation of Malaysia, scheduled to take place Aug. 31."

He said Sukarno has announced that a considerable portion of his large fleet, supplied by the Soviet Union, will begin maneuvers in the Malacca Straits and in the waters between Singapore and North Borneo.

"This is roughly equivalent to the Russian fleet announcing it will hold naval maneuvers in Lake Erie or Chesapeake Bay," Broomfield said.

Officers short on leads in Herald's death

GOODING, Idaho (UPI)—Officers were short on leads here today as they continued efforts to solve the shooting death of a Portland, Ore., salesman near Hagerman Monday night.

The victim was positively identified Wednesday as Richard A. Herald, 31, of Portland. The identification was made by Herald's employer, George Owen, Portland.

Sheriff Keith Anderson said he has no more leads in the case. "We're hoping for information from some motorist who may have been passing by when this occurred," Anderson said.
