48 SATISFIED HOME BUYERS CAN'T BE WRONG!
That's how many homes we've sold in this area since the beginning of our home building for the people of Central Oregon. 48 homes built and 48 homes sold - and the people that live in these FHA homes are well-satisfied. - "the start of a dream" they say, or "we've always wanted a new home, and now we have it."
The homes here in North Pilot Butte Estates are built to FHA standards, and everything about them has to be exact.
We started out with 3 bedroom homes, but as time, and everything else, progressed, we find that many people would like to have a 4 bedroom home - so... we took it upon ourselves to build them one.
Now we have 3 resident plans to choose from - 2 floor plans on a 3 bedroom home, and one 4 bedroom, with 2 baths and large living room.
If you're planning in the near future to buy or build a new home, why don't you see us first... the homes we build are to suit you... with no details left untouched.
Drive out and see for yourself why 48 satisfied home buyers can't be wrong.
