**SCHEDULES X15 FLIGHT**  
**EDWARDS AFB, Calif. (UPI)**—Chief space agency pilot Joe Walker was scheduled to make another try today at a new airplane altitude record of about 68 miles in the X15 rocket ship.

The 42-year-old Walker was taken aloft Tuesday in the X15 along under the right wing of a B52 mother ship. But cloudy weather forced postponement of the altitude test.

The flight was rescheduled for 9 a.m. PDT (12 noon EDT) today.
