

WET TRACK MEET? — Ridiculous. The unidentified starter with pistol in hand is actually starting an event in a recent swim meet at the Bend Municipal Pool. Scene is typical of action that will be seen tomorrow at the Bend pool. Bend is hosting Lakeview in a dual affair. Races begin at 10 a.m.

Butts' libel suit gets final arguments

ATLANTA (UPI) — Final arguments in Wallace Butts' \$10 million libel suit against the Saturday Evening Post began today and are expected to run so long that a federal judge has set Monday for their conclusion.

Both sides have two hours each to make their summations in the suit that has seen dramatic confrontations of coaches and college presidents in a costly controversy over whether the Post was truthful and justified in reporting that Butts gave away vital football secrets to a rival coach.

Butts, who served as football coach and then athletic director at the University of Georgia for nearly 25 years, sued the Post after the magazine reported in its March 23rd issue that he disclosed vital plays to Alabama coach Paul (Bear) Bryant nine days prior to the 1962 Alabama-Georgia game in which Alabama defeated Georgia 35 to 6. Alabama had been favored by 17 points in the season-opening contest.

Federal Judge Lewis R. Morgan said each side will have an hour to argue its side in today's session.

Gals set state, Bend bowling go

Plans for the Oregon State Bowling Tournament which will be held in Bend this fall, were discussed last weekend when the Oregon State Women's Bowling Association executives convene for a board meeting at the B C Cafe.

Local women bowlers are hoping for a good turnout of locals. The Bend Women's Bowling Association is to be hostess of the bowling event. Currently the women are busy with a mixed double bowling tournament at both the Cascade and Greenwood bowling alleys to help defray expenses of the state affair.

Redmond to host first annual Oregon State Bowling Jamboree

Special to The Bulletin

REDMOND — It's the first annual Oregon State Bowling Jamboree... and Redmond is going to get it.

Officers and directors of the Oregon State Bowling Association, and three members of the American Bowling Congress staff will be present here August 17-18, when the Redmond Bowling Association hosts the jamboree.

A singles handicap bowling tourney with squads scheduled for Saturday evening and Sunday morning will kickoff the event. A workshop session at the John Tuck School cafeteria, conducted by members of the American Bowling Congress staff, will be held Sunday afternoon from 1 to 5. The group will then adjourn to the 86 Corral Club for a buffet luncheon at 5:30. That's the schedule.

All bowlers who were members of the American Bowling Congress

this past season are welcome to attend the workshop session and to participate in the tournament, it has been stressed by H. A. "Bud" Helmholtz, Jamboree chairman. Wives are also invited to the luncheon. Luncheon costs are nominal.

Walt Gabor, proprietor of the Premier Bowl, will accept reservations for the tournament by phone. Over 100 entries have been made, and there are about 50 spots still open.

"This will be a wonderful opportunity for local bowlers to meet personally some of the men who help make this game bowling the largest participant sport in the world," Helmholtz offered this week. Members of the ABC staff who will be present include, Bill McCulloch, Portland, vice president; Gordon Baker, Portland, ABC field representative, and Albert Matzell, Milwaukee, Wis., ABC assistant secretary.

STAR VALUE

Firestone "500" BICYCLE

Bicycles Priced from only **29⁹⁵**

A real dazzler! Chrome fenders, rims, handlebars and headlights. Two-tone saddle, streamlined tank, luggage carrier and many other extras. Boys or girls models. Choice of 24" or 26" sizes.

It never touches a drop.

You couldn't put water in a Volkswagen if you wanted to. Or anti-freeze either. The VW engine is cooled by air. It doesn't have a radiator. Or any of the usual radiator problems. No hose to leak or clog or run up costly repair bills.

Nothing to overheat or boil over in hot weather. (You never see a VW cooling off by the side of the road.)

Nothing to freeze in cold weather. The money you save on anti-freeze is a dandy little dividend. You get more dividends when it comes to gas and oil.

The VW averages 32 miles to the gallon of gas. Sometimes even more. Sometimes a little less. Depending on how you drive.

You can almost forget about oil. The VW rarely needs it between changes.

Tires go a long way, too. Common wear is 40,000 miles.

Maybe that's why so many people are going Volkswagen. It's not a car that spends your money like water.
