THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Never has there lived a man who accomplished all he wanted to do... or went everywhere he meant to go.

Time and Distance like prison walls surround every life, ultimately frustrating man's hopes and dreams.

We are told that science is finding ways to multiply time, to divide distance. A gadget can save you an hour. A jet will cut your journey in half.

But should the day come when man can live to 150, and a round-trip to the moon will be called "commuting" — we'll still be living within the same walls... time... distance...

In fact, the only hopes of mankind which ever reach beyond these walls are our religious beliefs. In our churches we come to know the Eternal, the Everywhere. Faith dissolves frustration.

Life is more than a quest for speed... a conquest of space. Come to Church — and see!
