GILBERT'S DEAL OF THE DAY

1015 Wall St. 382-3752 YOU DON'T WANT TO BUY A HOME, NOW DO YOU. This place has a great big living room with fireplace, (and I'll bet you don't want a fireplace.) I know it's fun to eat in the kitchen, so what are you going to do with the carpeted dining room. The place is loaded with closets and cabinets, so you will have to buy a lot of stuff to fill them up. The Power Co. won't like you because you won't use enough electricity to heat the place because of all the thermopane windows and complete insulation. The water dept. will be unhappy because you have irrigation water for the yard, instead of using high priced tap water. The location is just inside the City on a paved road, on an oversized lot, and I'll bet you won't live upstairs over the Bank. In case we have misjudged you, you might like the place, give us a call and we will show it to you.
