

# NAACP leader in Portland says more protests due

PORTLAND (UPI) — President Kennedy's cancellation of plans to visit Portland next Friday in the face of threatened picketing by the National Association for the Advancement of Colored People continued to bring comment today.

Mayfield Webb, president of the local NAACP branch, indicated there would be further protests of practices of the Portland Housing Authority.

Plans had called for Kennedy to dedicate Northwest Towers, a senior citizens public housing project,

next Friday. But the White House, without referring to the picketing possibility, announced Thursday Kennedy's trip here had been canceled. He will spend about 15 minutes at Tongue Point, near Astoria, next Friday afternoon.

The NAACP objected to the method of placing applicants in public housing here.

The housing authority was defended by Rep. Edith Green, D-Ore., and others. A report by the regional office of the Public Housing Administration in San Francisco said the local authority was in "full compliance with all federal laws and regulations relating to racial relations."

In reference to Northwest Towers, it said only three nonwhite families had applied for residence. It said one family declined to move in because there were no first floor apartments left, that one family was to move in this week and that a single person held an application number 209, which was above the present capacity of the building.

## Oregon AFL-CIO gives support to ballot bid

EUGENE (UPI) — The State AFL-CIO convention Thursday voted unanimously to give unlimited support to an effort to place on the November, 1964 ballot an expanded workmen's compensation law.

The measure would exclude private companies.

The effort was approved after labor leaders warned an initiative fight that was lost would risk labor's prestige and postpone indefinitely a reform of the law by the legislature.

James T. Marr, executive secretary of the state AFL-CIO, said at least \$100,000 would be needed for the campaign. Ed Whelan, secretary of the Multnomah Central Labor Council and a Democratic state representative, said "you're going to have to get off your rear ends on this thing like you've never got off them before."

Other resolutions approved included one for preparation of legislation to require firms to provide safety clothing for welders and burners and one to prohibit use of long handled metal paint rollers where there is danger of contact with electrical connections.

The labor group defeated a resolution to move state headquarters from Portland to Salem. Also defeated was a proposal to allow small locals of the same international unions and individual districts to combine to elect delegates to the state convention.

The convention was to end today.

### Two men held after shooting

COOS BAY (UPI) — Coos County authorities were holding two men in the city jail today after a shooting at the community of Barview, south of Empire, Thursday evening.

Floyd Ernest Tody, 37, and Edwin Mansen Sadler, 35, were arrested after Mrs. Talmus J. Parker, 35, was wounded at her home. Sheriff's offices said Tody had a pistol strapped to his side and a rifle strapped to one arm when he was arrested. He was charged with assault with a deadly weapon and Sadler was charged as an accessory.

Bail was set at \$15,000 each. Mrs. Parker suffered a superficial head wound and was reported in very good condition today at a North Bend hospital.

Authorities were investigating the circumstances surrounding the shooting.

### Woman in jail after wild chase

McMINNVILLE (UPI) — A Roseburg woman was in the Yamhill County Jail today after what police called one of the wildest chases in the area in years.

Mrs. Marie Elaine Marshall, 21, was being held on a city reckless driving charge. Portland police have issued citations for reckless driving and attempting to elude an officer, and State Police issued citations on the same charges.

The chase started here when McMinnville police saw the woman driving at a speed estimated at 100 miles per hour.

They pursued her to Dayton, where Dayton police joined in as she turned around and headed back. She raced through McMinnville, via a roadblock at Newberg and into Portland.

## Plans for massive Rockefeller turnout at Eugene made

Sen. Barry Goldwater are to speak in the 10,000-seat McArthur court basketball pavilion on the University of Oregon campus Oct. 12.

Rockefeller is to speak at noon, Goldwater at 7 p.m.

House Minority Leader F. F. Montgomery, R-Eugene, said he and Tuck Wilson, Portland Young Republican, attended the Boise meeting.

"I'm in charge of arrangements for Rockefeller and Goldwater at Eugene. I'm trying to get together with the Goldwater people now," Montgomery said.

"I didn't stay at the meeting. We discussed arrangements for Rockefeller, then I left. I didn't want to get involved because I'm on the host committee," he added.

Rockefeller boosters from several Northwest states reportedly attended the session.

Montgomery said "I know Wilson will do some work. I understand he is working closely with the Rockefeller forces."

When asked by United Press International what plans were drafted at the meeting, Wilson said "I'm in no position to tell what happened in Boise."

Wilson did reveal plans to provide free bus rides from Portland "for college students and others."

He said buses would arrive in time for Rockefeller's speech.

Asked if special busses were planned for Goldwater's appearance, he said "we aren't going to shuttle busses back and forth all day."

Wilson said he was coordinator for a group headed by Martha Kate and Bob Ridgley, both of Portland, who were heading an independent Republican conference committee.

"We didn't plan any announcement now. We have arranged a publicity campaign. It wasn't to be announced until next week," he said.

R. Mort Frayn, former Washington State Republican chairman and Camden Hall, former University of Washington student body president and now a law student at the university, told UPI they attended the Boise meet.

Frayn said he would be at Eugene and "probably would host a reception for Rockefeller."

He said a Rockefeller for President group was being organized in Washington.

Frayn said "Rockefeller will get an enthusiastic welcome from his supporters at Eugene." He said it would not be a conventional type demonstration. "It's not the time or place for that kind of action."

Montgomery said Rockefeller is scheduled to fly to Portland at 9:55 p.m. Oct. 11, then fly to Eugene.

He said Rockefeller would stay at the Village Green at Cottage Grove, south of Eugene.

He said Goldwater would stay at the Country Squire, north of Eugene. Montgomery said he did not yet know when Goldwater would arrive in Oregon.
