John McKay's Trojans face Sooners in TV tilt Saturday

McKay, the reigning "Coach of the Year." is not buying any Ok-lahoma tales of wee as he looked ahead to his Southern California Trojans meeting the Sooners in the television game of the week here Saturday.

The Sooners will be given all the respect due a school that an-mually fields one of the nation's top football teams, McKay indicated Monday before the South-ern California Football Writers meeting

McKay listened attentively as Oklahom a spokesman Harold Keith hinted the 1963 edition ef the Sooners grid machine was "slow" and had been outgained and outdowned by Clemson in their seasonal opener.

"I hope I never see a fast team if Oklahoma is slow," McKay said "We know Oklahoma is a very fine football team. And it's the team that gets the most points that wins, not the team that runs up the statistics." McKay was not too satisfied with his club's 14-0 victory over Colorado but his dissatisfaction was more over the playing cenditions. A downpour at Boulder, Colo., made it difficult for both teams and deprived the Trojans of the chance to demonstrate whether they were the equal of last year's national championship team

The UCLA Bruns, badly burned by one team from the state of Pennsylvania, hoped to do better against a second. Coach Bill Barnes said his club did few things well against Pittsburgh here last Friday.

But he was hopeful that a few corrections might result in a better performance against the strong Penn State club at Univer-

the University of Washington foot-ball team claimed Monday their problem with off-side penalties in Saturday's game against the Air .560 5½ Force Academy was partly due .545 11 to a bit of signal jamming by their opponents

Head Coach Jim Owens con firmed his players' contention on his weekly television show Monday night.

The players said that Air Force defensive shift signals sounded so much like the UW snap count that they were frequently lured across the line of scrimmage prematurely.

In all there were six offside penalties and illegal procedure violations assessed against the Huskies. The one which hurt the most came in the last quarter when the Huskies had to give up the ball on the Air Force 9, a vard shy of a first down

garden sprinkling system. FREE ESTIMATES CONTACT
