DID YOU KNOW
 THAT THE Quiet Hour Trailer Court is just about the nicest little court in Central Oregon? That it has 30 foot spaces between each unit? That each unit has a lawned car port? That there is almost one half acre of lawn in the center of the parking area? That all of the sewer hookups are down in the ground — not up in the air? That it is the only trailer court in Central Oregon with residential power rate for each unit? That it is enclosed with a woven wire fence to keep the dogs and indians out? That the rate per unit is \$20.00 with everything furnished excepting power? Presently we have room for one fifty footer and several smaller trailers? That it has a neat, clean laundry room with two Speed Queen washers and Norge Dryers? And lastly: we need the money so you get right out here quick so we can keep eating.
