60-Trailer Space

DID YOU KNOW

THAT THE Quiet Hour Trailer Court is just about the nicest

little court in Central Oregon? That it has 30 foot

spaces between each unit? That each unit has a

lawned car port? That there is almost one half acre of

lawn in the center of the parking area? That all of

the sewer hookups are down in the ground - not up

in the air? That it is the only trailer court in Central

Oregon with residential power rate for each unit? That

it is enclosed with a woven wire fence to keep the dogs

and Indians out? That the rate per unit is \$20.00 with

everything furnished excepting power? Presently we

have room for one fifty footer and several smaller

trailers? That it has a neat, clean laundry room with

two Speed Queen washers and Norge Dryers? And last-

ly: we need the money so you get right out here quick

so we can keep eating.
