Sisters student gets high mark

Special to The Bulletin
SISTERS — One senior from Sisters High School, Margaret Thompson, has been honored for her high performance on the National Merit Scholarship Qualifying Test which was given last spring. She will receive a formal Letter of Commendation signed by her principal and the president of the National Merit Scholarship Corporation. It has been announced by the principal, W. W. Johnston.

About 32,000 students throughout the country are being awarded Letters of Commendation in recognition of their outstanding performance on the qualifying test," John Salnaker, president of the National Merit Scholarship Corporation, said. "Although they did not reach the status of semifinalists in the current Merit Program, they are so capable that we wish to call attention in this way to their achievement and academic promise," he added.

UF collections are reported

Special to The Bulletin
PRINEVILLE — The United Fund collections in Crook county at mid-week stood at \$104, officials for the 1963 UF drive report. A large number of contributions has not yet been tallied, and workers on the drive express confidence that the goal of \$11,000 for Crook county will be reached.

The UF drive here will extend through another month, and the tally of contributions is just now beginning to show real results, it was commented.

Details of proposed cuts in state services revealed

SALEM (UPI) — Details of a proposed \$43.6 million cutback in state services, called for Wednesday by Gov. Mark Hatfield, were revealed today.

Basic school support would be cut \$10.8 million and capital construction for higher education and community colleges would be slashed \$11.2 million. Cuts in general fund agency operating funds would amount to \$21.6 million.

Enactment of a one-shot speedup of withholding tax collections would add \$12 million to the biennium's receipts.

Legislative approval is needed for the basic school cuts, and the one-shot revenue speedup. The cuts and added income would total \$55.6 million. Anticipated fund reversions of from \$2-to-\$4 million would keep the state's general fund operations in the black.

Largest slash in operating funds, \$6.1 million, is in the Board of Higher Education's budget.

State institutions were slashed \$3.5 million.

Welfare services were cut \$2.9

million. The Department of Education was slashed \$1.5 million.

The \$3.2 million for salary increases for state employees was eliminated, as was \$1.5 million for higher education faculty pay hikes.

The Finance and Administration Department ordered all agencies to put the cuts into effect immediately.

Officials said they would be unable to determine how many state employees would be laid off until some time next week. Slashes in other departments ranged from \$399 to more than \$566,000.

The Department of Education was slashed \$1.5 million.

Sealed bids will be received on November 19, 1963, at the office of J. F. Bodie, Attorney-at-law, Prineville, Oregon, until 2 o'clock P.M., Pacific Standard Time, for Additions and Alterations to Elks Lodge No. 1814.

Specifications and blueprints may be obtained at the office of J. F. Bodie, 203 N. Main St., Prineville, Oregon, on or after October 10, 1963. The building will have resilient flooring over slab on grade, walls of concrete block or wood frame. The ceiling construction will be basically glue-lam beams, decking and acoustical tile with a built-up roof. The exterior will be finished with resawn cedar vertical siding. There will be considerable electrical work, extension and enlargement of the plumbing facilities as well as an additional new heating plant.
