THE OWL PHARMACY

DON'T GAMBLE—WITH YOUR HEALTH

When you buy cure-alls from an itinerant peddler, the stakes are tragically high. The peddler may, in effect, be risking your health for a fast profit.

■ Since health is your most precious gift, rely on our community health team in the event of illness.

■ See your family physician. And should he prescribe medicine, our fully stocked prescription department is your assurance of prompt, courteous service. There is no gamble at The Owl!
