Lorenzo Twinam, 86, Hillsboro, was killed when he was struck by a car at Hillsboro.

UTILITY PAYS TAX—R. G. McFarland, district manager for Pacific Power and Light, gives Deschutes county its share of over \$5 million utility is paying this week in Oregon property taxes. Sheriff Forrest Sholes accepts check.

Deadline nears for first quarter payment of taxes

The deadline for first quarter payment of the 1963-64 real and personal property tax is Friday, November 15. Two of Deschutes county's "big six" made the deadline with time to spare, by paying their taxes for the full year and earning the three per cent discount.

Pacific Power & Light Co. yesterday paid its Deschutes County tax, \$84,374.27. A check for \$80,207 went in the mail today from Pacific Northwest Bell.

The power company and the telephone company rank third and fourth among the county's big tax payers, following Pacific Gas Transmission Co. and Brooks-Scanlon, Inc. Oregon Trunk and Great Northern railroads are in fifth and sixth places.

R. G. McFarland, Central Oregon district manager for P&L, said the company's property tax payments to 30 Oregon counties by the November 15 deadline will total \$5,025,398.64 this year.

G. E. Wiley, local manager for Pacific Northwest Bell, said that the utility he represents is paying \$5.5 million in Oregon this year, a 2.6 per cent increase over last year. "We want to stress that in reality it is our customers who foot this tax bill," Wiley said. "The money for this tax payment comes from their monthly bills."

A three per cent discount is given when the tax for all four quarters of the year is paid by November 15. Payments of three quarters earn 2 per cent discounts; two quarters, 1 per cent. No discount is allowed after the deadline. Payments made by mail and postmarked not later than midnight, November 15, are accepted without penalty. The penalty for late payments is two-thirds of one per cent per month, or 8 per cent per year.
