

Five Lava Bear gridders get special honor awards

AWARD WINNERS — Bob Thomas, left, and Jerry Wetle were two of the five Bend Lava Bear footballers who received special honors last night at the football awards dinner. Thomas, a junior who played the latter part of the season at tackle, was tabbed the most-improved lineman by the coaches. Wetle, Bend's offensive and defensive signal caller, received the inspirational player award.

Five Bend High School football players received "extra" honors last night, when the parents of the 1963 Lava Bear team members conducted an awards dinner in the basement of the Elks building.

Special awards were bestowed on Harvey Hillis, Clyde Smith, Bob Thomas, Mike Metke and Jerry Wetle, at the same time the Bend High School coaching staff bestowed letter awards on both the varsity and the junior varsity players.

Harvey Hillis, son of Mr. and Mrs. Louis A. Hillis, 480 State Street, a 188-pound senior tackle, was a double award winner. He received the Dr. Grahman Award, a presentation made each year by the coaches for the best all-around football player both offensively and defensively over the years he has played at Bend High School.

Hillis also was given the outstanding lineman award by the Bend Rotary Club. Rotarian Roger Skeen made the presentation.

Smith, Too
Clyde Smith, Bend's big 205-pound fullback and defensive end, who played his first year of high school football as a senior, received the Bend Lions Club's best defensive player award. Vern Prodehl presented the honor. It is given every year for the all-around athlete footballer. He also must be a scholar.

Jerry Wetle, both offensive and defensive signal caller for the 1963 Lava Bears, received the inspirational player award. The coaches presented the award for Wetle's "untiring efforts and leadership."

Bob Thomas, a 175-pound junior in the Bruin forward wall, was named the most-improved lineman. Mike Metke, Bend's second string signal caller, was chosen as the most improved Bruin backfield man.
