

FUN FOR ALL—Besides learning how to do it, the Skyliners' five day ski school provides as much fun (and spills) as it does work. Here Janice Ettinger, 14, daughter of Dr. and Mrs. Richard H. Ettinger, Bend, picks herself out of the snow after a not-so-successful ski run. The ski school begins Dec. 26, and runs daily from 1 to 3 p.m.

Bachelor training camp—a success

by Web Ruble
Bulletin Sports Editor

On the slopes... this and that, etc.
Quoth Graham Anderson, Seattle, president of the Pacific Northwest Ski Association: "training camps for Alpine racers should become an annual event."

This he declared this week on the heels of the first such camp that drew a total of 50 racers and 20 officials and coaches to Bachelor Butte over the holiday weekend.

It was a success, Anderson emphasized this when he said, "we had an informal camp put together at the last minute last year at Stevens Pass, Wash. . . this one now concluded at Bend was really our first full-scale attempt, and it was successful."

Now, there's an answer to those local yokels who do not believe skiing has become a major sport in Bend. Two major training camps have testified to Bend's top-notch ski conditions and facilities.

Olympians First

First there was the U.S. Olympic team's first summer training session last August-September, and now the Thanksgiving PNSA training session.

A glance at the number of participants, reveals that Bend had the most of any one community. All were Skyliners. They were, Jerry and Sherry Blann, Sara Goodrich, Kikki and Tom Cutter, Julie Meissner, Mike Metke, Gerry Duberow, Steve Foley and Karen Skjersaa, all junior experts.

Others were, Janice Ettinger, Fred Duberow, Mike Lafferty and Tom Stevenson, junior intermediates, and Mike Ward, junior novice. Two Bend Skyliner coaches contributed their talents, Jack Meissner and George Cleveland.

In other ski activity, 19 Pacific Northwest Ski Association Alpine officials have been certified nationally.

Among them were two from Bend. O. B. Williams was certified as a referee, and Jack Meissner as chief of course.

This action, taken by the United States Ski Association, permits them to serve as officials at U.S. championships and other national races.

FOOTBALL HONORS

One ex-Prineville athlete has been named to a grid honor at Eastern Oregon College at La Grande. Steve Straughan, a junior and son of Mr. and Mrs. Charles Straughan, 825 Clifton Avenue, Prineville, was named outstanding lineman for the 1963 Mountaineers.

Straughan was named as one of the co-captains for next season. A center and a tackle, he earned small college All-Coast recognition this season.

Straughan is a 1961 graduate of Crook County High School. He is no mean athlete. In addition to his football talents, Straughan is the Mountaineer's Oregon Collegiate Conference heavyweight wrestling champion.

EOC's junior also won the District 2 National Association of Intercollegiate Athletic championship and competed in the NAIA finals at Bloomsburg, Pa., last year.

Rivals glad Van Arsdale aren't triplets

By United Press International
Indiana's basketball rivals can thank their lucky stars the Van Arsdale twins aren't triplets.

Just the two of 'em are threats to outscore whole teams. Take Wednesday night when the identical 6-foot, 5-inch forwards combined to score 76 points and lead Indiana to a 108-102 victory over Notre Dame.

Dick connected for 15 field goals and 12 free throws for 42 points and Tom tossed in 15 field goals and four free throws for 34.

That tremendous two-man performance earned Indiana its second straight victory on a night during which Texas Western upset fifth-ranked Wichita, 75-74, and second-ranked Cincinnati squeezed past Miami of Ohio, 60-56.

Jim Barnes scored 32 points to lead Texas Western to the big upset of the night at Wichita. Kan. Dave Stallworth scored 37 points for Wichita, which suffered its first loss after two wins.

Cincinnati had a close call at home when Miami's Charlie Coles developed a "hot hand" and threw in five straight long-range field goals to reduce the Bearcats' lead from 12 to four points with 1:34 left. The defense-toughened Bearcats refused to panic, however, and held their lead. Ron Bonham had 26 points and 12 rebounds for Cincinnati.

New York University, ranked No. 3 along with Duke, opened its season with an 82-55 triumph over host Cornell. Happy Hairston had 24 points and Barry Kramer 23 for NYU.

Michigan State defeated Western Michigan, 101-100, and Purdue downed Detroit, 86-80, but the Big Ten's spotless record against outside competition was sullied when St. Louis beat Illinois, 81-78.

FRY NAMED COACH

BOCA RATON, Fla. (UPI) — Kelso, for the fourth consecutive year, was hailed as the American champion Thoroughbred by the Thoroughbred Racing Association.

Kelso began his reign as the best horse in the country in 1960 and this year was the unanimous choice among the champions named by the TRA.

The others were: Mrs. Stephen C. Clark's Amber Diver, steeplechase champion; Roger Wilson's Hurry to Market, best 2-year-old colt; Wheatley Stable's Castle Forbes, best 2-year-old filly; Darby Dan Farm's Chateaugay, best 3-year-old colt; William Haggin Perry's Larrim Chop, best 3-year-old filly; and Christopher T. Chenery's Cienda, best older filly and mare.

STEELERS SIGN MCGEE

AAU delegates...

U. S. may establish a national sports festival

SAN DIEGO, Calif. (UPI) — Delegates to the second-day session of the Amateur Athletic Union (AAU) earlier today discussed a proposal to establish a national sports festival.

Also on the agenda were proposals to improve the caliber of amateur basketball and require head gear in all boxing matches after Jan. 1 or continue its optional use.

The swimming committee was

expected to give formal approval to establishment of a Swimming Hall of Fame at Fort Lauderdale, Fla. Mayor Cy Young of Fort Lauderdale said a bond issue to raise the needed funds was ready to be put before the city's voters as soon as formal AAU approval is given.

The foreign relations committee Wednesday approved 22 international meets in 12 forms of

competition pending reciprocal approval by other countries.

Highlights of the plans for U.S. teams include a track and field meet with USSR men's and women's teams July 25-26,

1964, at Los Angeles, a trip to the Soviet Union to compete with men's and women's basketball teams next spring, a boxing tour of Africa next spring and a world's synchronized swimming tour next fall.

Committee approval of these plans, announced at the opening business session of the 76th annual AAU convention, is tantamount to organizational action, officials said.

The conflict between the AAU and the National Collegiate Athletic Association (NCAA) will get worse before it gets better, AAU president Louis Fisher, executive direc-

tor Donald F. Hull and secretary-meritus Dan Ferris agreed. The two groups have struck a truce in their power struggle until after the 1964 Olympic Games.

Fisher said he wired NCAA president Robert Ray asking him or a representative to attend the current five-day meet to discuss mutual problems. He said Ray declined the invitation.

Fisher said he had hoped to work out differences with the NCAA before the end of his term. He will be succeeded at the convention probably by Jay-Ehret Mahoney.

Fisher proposed the national sports festival. He said it would involve competition in every sport with a national final. Competitors in every age bracket would vie in AAU and Olympic sports.

Skyliners' ski school set to run Dec. 26-30

Bend's Skyliners have set December 26 as the first day of the 1963 Skyliner ski school.

A Tuesday night parley of the Skyliners' board of directors has set the school down as a five-day affair under the direction of Skyliner ski coach Jack Meissner.

Running five consecutive days from 1 to 3 p.m., the school will draw to a close on Monday, December 30.

Registration will be Wednesday, December 18, from 4 to 7 p.m. at Harmon Hobby House. Meissner will be present to inspect and adjust equipment. Parents are asked to accompany their children at registration.

Five Lessons

Cost of the five lessons has

been set at \$5. The training is available to all school age children who are Skyliner members.

Registration night will also see a rummage sale of ski pants (only).

Ski school days will see a Trailways bus leaving the Bend Troy Laundry field (at the corner of Louisiana and Bond Streets) at noon. The bus arrives back at the same location at about 3:30 p.m.

A transportation packet of five tickets will be made available at a cost of \$5. Two buses will be made available if needed.

First Races

Other activities are on the December ski docket. The first ski race of the season is the annual Jori Gillis Memorial Race on the slopes of Bachelor Butte, December 14-15.

Slalom racing will be on Saturday the 14th. Downhill competition will run Sunday. Racing commences at 11 a.m. both days.

Race headquarters will be at the Pilot Butte Inn with "the draw" slated for Friday night, December 13, at 7:30. Entrants should fill out Northwest Skier entry blanks and mail them to Lorraine Aplin, Room 5, Penney Building.

Late entries, however, will be accepted on the hill Saturday morning at 9.
