PORK SALE!

Perhaps you have noticed the Pork-Petite sign above packages of fresh pork at Safeway. It's been put there to give special recognition to the top-quality pork that's featured by Safeway. If you've never tried Safeway's fresh pork, you may wonder what's so special about it. Just this. Our hard-to-please buyers will accept only small-size, grain-fed pork for Safeway. This is the kind that gives you more lean meat and mouth-watering pork flavor. The kind that yields especially tender, juicy chops, roasts and spareribs. Our stores make sure you get this pork carefully prepared and glistening-fresh. The Pork-Petite name is a merit badge for this kind of pork. It's the sleek, svelte, slim, small pork we think your family will enjoy. Try some today!
