

New DA due in Crook County

Special to The Bulletin
PRINEVILLE — James Minturn, Crook county district attorney for several years, stated yesterday that he will continue to carry out the function of the office until a replacement is appointed by Gov. Mark Hatfield. Appointment of a new DA for Crook County may be announced January 3, he said.

Minturn announced his resignation from the position recently. He stated that the pressure of private practice was influential in his decision to make the move.

HOLIDAYS IN HAWAII

Surprise! Surprise!

How we could keep it such a secret to the Murray group, that arrived by Northwest Jet the night of Dec. 26, we'll never know but they did not even dream I was anywhere near until you'd thought they had seen a ghost when they saw me at the Honolulu Airport to greet them with Lanny Ching, one of their top limousine drivers and promoters, of MacKenzie Tours — Hawaii! He was born here and what a small world! Willard and I met Lanny at the Pacific Area Travel Conference on Nov. 11 in Portland and we couldn't have had a more congenial host for our group. When he arrived at the hotel to take Peggy Mayfield and I to the airport to greet them, he presented us with beautiful orchid leis and then on our way to the airport he gave us a tour of the city and stopped at the lei stands to pick up the fresh leis for our people who were to arrive on the flight.

The Bend group said they left snow and ice and could hardly believe the warm, heavenly climate here. The temperature has been 72-75 degrees here since we arrived and it's just right.

We're acting like "typical natives". We've been wearing muu-muus and shorts and things and almost feel as if we live here because every one is so friendly. They make us feel so welcome and "at home."

We will attend the 'Hawaii Calls' Broadcast Saturday and Sunday we will do the Circle Island All Day Tour. New Year's Eve we have reservations to attend the Hawaiian Village Festival Dinner, program and evening which we hear is the "big event" of that time of year. "Hilo Hattie" will be the guest star and a special evening show of top entertainment is to be included. The morning of Dec. 29, we are to greet friends arriving on the President Cleveland. That will be an experience to see a large ship arrive here. Now, you know that we travel agents go to travel, but we have to work while we're away from home too by checking on new accommodations, new areas and facilities, etc., and recheck out ones we know when we were here last, and as any job goes... it is not "all play."

As Willard and I have often remarked, this business is fascinating because of all the wonderful and sincere people we continue to meet. There is never a dull moment because with all the detail we do in arranging any trip, whether long or short, or domestic or international, there are times we wished there were more than 24 hours in a day and other days glad there aren't.

Udall says hurdles still in way of Columbia treaty

WASHINGTON (UPI)—Interior Secretary Stewart L. Udall said Monday there still are some economic hurdles standing in the way of final agreement on the Columbia River Treaty.

Udall told a news conference there were "some grounds for optimism" following talks earlier this month in Ottawa. But he clashed with reports indicating that a deal had been completed for the United States to pay British Columbia about \$420 million for building three
