Coffees planned for parents of sophomores

The first of a series of sophomore orientation coffee hours for parents of junior high ninth graders was held recently at the home of Mrs. Donald Goodwin.

The coffees, sponsored by the newly formed Bend High PTA, are planned weekly through the month of April and into early May.

Personal invitations are being extended by resident hostesses to parents residing in their immediate neighborhood. They meet informally with Ray Talbert, Bend High principal, for discussion and information to preview high school life.

The PTA executive committee anticipates that the opportunity for early understanding between the home and the school will promote smooth transition for both the student and the parent from junior high to high school atmosphere.

All coffee hours planned so far have been scheduled for daytime hours and because of limitations of time, are on a trial basis for this year. Parents who would like to attend an evening orientation meeting of the same kind are invited to phone Mrs. Goodwin, 382-3054, or Mrs. W. C. Edwards, president of the high school PTA, 382-6168, so that their names may be placed on a list and a date planned.

Open House set by Junior High

Open house will be held at Bend Junior High School Monday evening, April 20. All parents of junior high students, and other adults interested in the school program, are invited to attend.

There will be a short, entertaining program in the gymnasium starting at 7:30. An informal coffee hour for parents and teachers will follow in the library.

The Junior High faculty has planned the event as an opportunity to meet with parents before the ninth graders go to Senior High, and the eighth graders progress to their last year at Junior High.

Women shown Mexico slides

Mrs. Willard B. Hollenbeck showed color slides of her recent trip to Mexico, at a meeting of the Bend Business & Professional Women's Club.

Mr. and Mrs. Hollenbeck attended the 33rd World Congress of the American Society of Travel Agents, in Mexico City, and afterward toured Taxco, Acapulco and the Merida and Yucatan areas.

Under the leadership of a top guide, the tour group visited shrines and palaces, picturesque villages and henequen plantations, the ruins of Uxmal and the Hacienda Uxmal, which had been especially decorated for the then recent visit of Marshall Tito and his group.

The pictorial composite of Mexican atmosphere caught by the camera also included Indians making pottery and weaving, following the techniques of the ancient Maya, and numerous scenic spots, including a large sacrificial well now lipped with ferns.

Among the coming events announced at the meeting were the Fine Arts Festival to be sponsored by Bend and Redmond chapters of Beta Sigma Phi sorority, April 25 at the National Guard Armory in Bend, and the district meeting of BPW, April 18 in Bend.

Twelve were present, including two guests, Mrs. Peggy Mayfield and Mrs. Mary A. Johnson.
