### Re-institution of mid-state Naval Reserve unit planned

Interest has been fostered in re-instituting a Central Oregon Naval Reserve unit in Bend.

Bend's unit will be similar to an earlier one, except that all personnel will be on a pay status.

Reservists will be paid for drill attendance and they will get federal service credit.

Registration for the unit will be Wednesday of this week through Wednesday of next, (April 29), and on May 6.

Central Oregon's unit will be an electronics outfit, and will be sponsored by the Commandant of the 13th Naval District, Seattle. Once the unit is established there are plans to move the facilities from the currently unoperating Miles City, Mont., unit here.

Any specialty rating will be accepted, but personnel eventually will be re-rated according to the electronics setup.

About 48 men are interested in the Central Oregon unit, Lt. Comdr. Lester Zook, commanding officer of the reserve training center in Eugene, said this week. He offered that if the unit's size to surpass 50, Bend stands in line for a government

Naval Reserve installation. Naval Reserve classes will be held, at first, in the basement of the Deschutes County courthouse.

Details may be obtained by contacting the following persons in their respective communities: Ralph Klenski, Bend; Jack Mitchell, Redmond, and Roger Rhodes, Prineville.

### Comet...World's 100,000-Mile Durability Champion

At Daytona, a team of four specially equipped '64 Comets each traveled day and night 100,000 miles at over 105 miles per hour—an unequalled feat of stamina and durability.

In Africa, Comet showed its stamina again in "the wildest ride on earth"—3,188 miles—East African Safari Rally. 94 cars started. Only 21 finished the run—two of them were Comets.

Route of the "wildest ride on earth"—3,188 miles through the heart of Africa.

### Leads the sales success parade!

Is it any surprise that Comet sales are up to almost double last year's? Comet proves what it can do. After 100,000 miles at Daytona, one of these special Comets has traveled another 31,000 and is still going strong. Then rally-equipped Comets slogged through 3,188 miles of African mud, rocks and jungle—the first to carry America's colors in the world's toughest car event. Want more reasons? Just take a look at this new Comet. Husky, racy, beautiful, and built, really built. Make tracks for a Comet at your Mercury dealer's.
