# whattheywatch

**Michael Chiklis of "Coyote" on CBS All Access**  
 "I will say that 'Queen's Gambit' completely captured my imagination. Loved it. We all watched Nicole Kidman's miniseries ('The Undoing'), which is very good. ... I loved HBO's 'My Brilliant Friend,' the Italian show. That is beautifully, beautifully shot, a gorgeous piece of work. One of my guilty pleasures that we watch as a family - my daughters, my wife and I - constantly is 'The Great British Baking Show.' ... It's so civilized."

**Pat Sajak of "Wheel of Fortune" in syndication and "Celebrity Wheel of Fortune" on ABC**  
 "'The Andy Griffith Show.' I've seen each episode 100 times, probably, and I know them by heart - but if I just want something on in the background to soothe me, if I hear Andy and Opie, I'm good."

**Lauren Ambrose of "Servant" on Apple TV+**  
 "I was just making a joke about watching 'The Queen's Gambit' along with the rest of the world. But really 'The Great British Baking Show.' We sit around and watch that as a family and go and do baking projects while we're all hunkered down here and quarantined."
