whattheywatch

Laila Odom, recently seen in "Salt-N-Pepa" on Lifetime

"The last two years, I have been really like honing in my skills of sketch comedy The past like month and a half, I've watched six seasons of 'Schitt's Creek.' Like seriously, when I say I've caught up, I completely caught up. ... I have friends on shows so I have a friend that's on 'Power' so I was watching 'Power' for a short time. ... I watched 'Top Boy,' which is an English show."

Timothy Busfield of "For Life" on ABC

"If I had the remote control and wanted to kick back, it would probably be some form of sports, because I wouldn't have to follow any plot line. It would be Tiger Woods from the 15th hole forward on a Sunday."

> **Edward Burns of "Bridge** and Tunnel" on EPIX "It's either going to be a Knicks

game or a Mets game."
