

EMPOWERING OUR COMMUNITY THROUGH LOCAL JOURNALISM

TO OUR READERS:

As our elected officials continue to deal with the realities of COVID-19 versus the economy, we should not forget what each of us can do personally to support local businesses and jobs.

Certainly, subscribing or renewing your subscription is very important to us and our business. However, the most important way you can help is this:

SUPPORT OUR ADVERTISERS. You are nearly 250,000 strong. When you have a choice to spend your money, spend it with one of our advertisers. Support our businesses and their employees. Support our local economy.
