## **what**theywatch

## **Elizabeth Tulloch of** "Superman & Lois" on The CW

"We watch a lot of documentaries, to sort of observe human behavior. We've been watching 'The Vow,' and I recently watched 'The Dissident.' "

## Cress Williams of "Black Lightning" on The CW

"We just finished the second season of 'American Gods,' getting ready for the third season that's coming out. Over the Christmas break, we caught up and completely watched the second season of 'The Mandalorian' and then just this weekend watched all of the behind-the-scenes of it, which was just phenomenal.

## **Daniela Ruah of** "NCIS: Los Angeles" on CBS

" 'Friends.' I've watched that every single day since I was in college, and I know everything about that show by heart. It's ridiculous."
