Corey Kluber
 The two-time AL Cy Young Award winner has thrown only 36 2/3 innings over the past two seasons, one since May 2019 when he was hit on the right forearm by a comebacker. Kluber tore a muscle in his right shoulder in his Texas debut last July 26 and agreed to an \$11 million, one-year deal with the New York Yankees in January. The Yankees are hoping the 34-year-old can regain the form that made him one of baseball's best pitchers in Cleveland from 2013-18.
 "Physically, I feel like I'm in a good spot," Kluber said after his first spring training start. "I'm just trying to prepare for the season the best I can."
