Spear Life

"For shock value, it probably would be one of the 'Real Housewives' shows, because I just can't believe what I see! My husband will be walking through, and he'll be like, 'What did she just say?' "

Outdoors TV

Dave Carraro of "Wicked Tuna" on National Geographic

Gun Stories

" 'Wicked Tuna' for one. I've seen almost every episode (laughs), not all of them. I love the 'Gold Rush' and absolutely love the 'Deadliest Catch.' "

Isobel Yeung of "Vice" on **Showtime**

"Actually, I've been watching 'The Crown,' which is kind of my weak spot. I love a bit of British period dramas. And then apart from that, I'm watching all these short documentaries."
