 Everything went very well. The salesman, David Olsen, knew a lot about the truck which limited car questions.

 Jeff went out of his way to make the deal wanted. Small old school dealership with a personalized touch. Refreshing after dealing with huge multi bran corporate dealerships.

★★★★★
 Wright Ford was able to find a truck that fit our needs and budget. The sales process was completed in a short time and our new truck arrived within a week. Wright Ford was able to be competitive with other Ford dealers. They were easy to deal with and communication with sales staff was great. Glad to be able to buy from our local Ford dealer and help support our community.
