HAPPY BIRTHDAY FOR MONDAY, MARCH 29, 2021: Dynamic, spontaneous and athletic, you strike the balance between your active lifestyle and quality time with family. This year, you meet people from diverse backgrounds who can stimulate your mind. Review your finances with someone who can help you thrive with money to spare. If single, take notice of someone you casually meet at a gathering. If attached, involve your partner in an activity that brings you closer together. SCORPIO mystifies you.

ARIES (March 21-April 19)
★★★ Catch up with a friend you have not seen in a while. Find a place to talk where you won't be interrupted. Give someone a surprise gift. You will treasure the expression on their face. Tonight: Answer emails and texts.

TAURUS (April 20-May 20)

CANCER (June 21-July 22)
★★★ Compromise with those you love. It is easier than you think. The topic of home repairs and redecorating is back on the table. Skimp on something else if an item you ordered means going over budget. Tonight: Join a book club.

LEO (July 23-Aug. 22)
★★★ Your enthusiasm could appear pushy to more sensitive types. Tone down your speech, and you can have a greater impact. Watch overscheduling the things you could not get done on the weekend. There is always tomorrow. Tonight: Healthy family dinner.

VIRGO (Aug. 23-Sept. 22)
★★★★ Your finances could be susceptible to sudden ups and downs. Spend moderately but don't deprive yourself. Satisfy your eclectic tastes and search for online bargains. Think of it as a treasure hunt. Make it fun. Tonight: Pamper yourself with essential oils.

LIBRA (Sept. 23-Oct. 22)
★★★★ Today everyone wants to be in your company. You may be pulled in two directions. Friends invite you out, and loved ones want you home. Follow your instincts, and you will never go wrong. Tonight: Start an exciting page-turner.

SCORPIO (Oct. 23-Nov. 21)
★★★ Enjoy time alone to reflect and look inward. Push away outside influences and clear your mind of excess worrying. Focus on an activity you can do on your own. Those you love will respect your space. Tonight: Plan a party.

SAGITTARIUS (Nov. 22-Dec. 21)
★★★★ Attend an artistic class or meet-up group for a subject you want to explore. If it agrees with you, pencil it into your ongoing schedule. See friends who make you laugh. Take your mind off a pressure-filled day. Tonight: Creative cooking.

CAPRICORN (Dec. 22-Jan. 19)
★★★★ You may be in the dark regarding an important assignment. Speak up and ask questions so you will be right on target. Others may be envious of your success. Don't let that interfere with you moving forward. Tonight: Exercise video.

AQUARIUS (Jan. 20-Feb. 18)

PISCES (Feb. 19-March 20)
★★★ A problem may take longer to unravel than you thought. Reach out to someone who can help figure it out. You may gain added expertise in the process. Take a detour on your daily walk or run. Tonight: Zoom call.

Dear Abby: I am 40. During the quarantine, I got pregnant by someone I was just starting to know. I didn't think I was able to have any more kids. My daughter is now 12, and suddenly here I am — pregnant. I don't love the father. In fact, I'm pretty sure he loves someone else. Nonetheless, we ended up getting married for insurance purposes.

A few months ago, I found out he fathered a child with his uncle's wife. It eats me up inside, and I can't move past that. What kind of person does that? He was never acknowledged as the father, and the aunt/mom didn't want him around because she is still married to his uncle.

Well, I am now close to my due date. I don't know how I can make this work or if I even should. I raised my daughter alone because her dad was abusive, so being a single parent is nothing new for me. Him

getting involved with his aunt — to me that is MORALLY wrong, and I will never think that is acceptable. Help me decide what to do.

— Pregnant and Confused

Dear Pregnant: You married the father of this child because of the insurance, not because this was a love match. You think he is in love with someone else. Did your husband tell you he had fathered his uncle's wife's child? Did the wife? Are you sure this information is even true?

Not once in your letter did you mention that you have feelings for this man; in fact, you feel he is morally repugnant. Is this the kind of life you want to live? The answer to that question will tell you what

you need to do after the birth of the baby.

Dear Abby: A friend and I played bridge together for about eight years. I thought we had a close friendship. I introduced her to online bridge because I knew she missed playing in person. She immediately became hypercritical and started telling me and the other two ladies what we were doing wrong and what we should be doing. She was especially hard on me.

In private emails, I tried, to no avail, telling her that this game was not worth losing our friendship over. Her barbs continued for the next two weeks, all aimed specifically at me. After three tries to explain how her attitude was eroding our

bond, I stopped responding. She had been extremely cruel the last time we played.

She called me a dictator and resigned from playing with us. I have no problem filling her spot, but the last email she sent me was titled "death of a friendship?" We haven't spoken since, and I don't know what to do. Should I just leave it or make some further attempt to repair the friendship? I had never seen this behavior in her to this extent before, and I cannot understand what provoked it.

— Just a Game in California

Dear Just a Game: Whatever provoked your former partner to turn on you and attempt to embarrass you in front of the other players, I cannot guess either. However, in light of what has happened, you would be better off blocking her emails if she sends any more. She may be right — the friendship is dead. But the person who killed it was her.

New York poised to legalize recreational marijuana

New York is poised to join the growing number of states that have legalized marijuana after state lawmakers reached a late-night deal to allow sales of the drug for recreational use.

Democrats, who now wield a veto-proof majority in the Legislature, have made passing it a priority this year, and Democratic Gov. Andrew Cuomo's administration has estimated legalization could eventually bring the state about \$350 million annually.

Oregon and about a dozen other states already allow residents to buy marijuana for recreational and not just medical use, but New York's past efforts to pass marijuana legalization have failed in recent years.

The legislation would allow recreational marijuana sales to adults over the age of 21, and set up a licensing process for the delivery of cannabis products to customers. Individual New Yorkers could grow up to three mature and three immature plants for personal consumption, and local governments could opt out of retail sales.
