whattheywatch

Adhir Kalyan of "United States of Al" on CBS

"Whilst I've been working on the show, my wife and I have mainly been watching a lot of documentaries. And we're sort of crime fiends and specifically fiendish about crime stories that have unfolded in Los Angeles So we just got done with 'The Night Stalker' and then twice had watched 'The Vanishing at the Cecil Hotel.' So those are like the most recent things we saw. That might be a morbid answer now that I think about it ... but there you have it."

Tyler Hoechlin of "Superman & Lois" on The CW

" 'Peaky Blinders.' It's my favorite, and it's what I unwind with."

Dave Karger of Turner Classic Movies

" 'The Queen's Gambit' had been so hyped up to me, I was afraid it would disappoint ... and it did not, in any way. I just loved how stylish and fascinating it was."
