whattheywatch

Ken Burns, co-director/ co-producer of "Hemingway," recently on PBS

"I did binge ... some of 'Homeland' because I really loved it. ... My 10-year-old made me watch about three weeks ago 'The Good Place,' which I had never even heard of. ... We watched all 52 episodes and loved it."

Maggie Grace of "Fear the Walking Dead" on AMC

" 'Community.' That's such a great cast, and I love the little call-outs to 'Lost' (on which Grace appeared). That show is kind of brilliant, and it's the perfect antidote to the tumultuous world out there."

Nasim Pedrad of "Chad" on TBS

"Oh my gosh, I just finished 'Pretend It's a City' and I thoroughly enjoyed it. I found (Fran Lebowitz) to be completely delightful. So yeah, that would be the last thing that I got super into."
