**G**et ready to spend a Saturday at the Oregon Coast from the dry vantage of the High Desert. You won't get the salty sea air in your lungs, but you also won't have to make a long drive, get wet or spend any money. The virtual trip (look, you knew there had to be a catch) is all-free and rides the digital waves to your home courtesy of Marine Science Day from Oregon State University's Hatfield Marine Science Center.
