“Snabba Cash”

A reboot of the 2010 Swedish actioner of the same title, this new series from that country follows the story of Leya (Evin Ahmad, “Beyond Dreams”), a young single mother trying to make it in the uber-competitive and lucrative start-up world of present-day Stockholm. Alexander Abdallah, Ayaan Ahmed, Ali Alarak and Olle Sarri are also in the cast. (ORIGINAL)

“Life in Color With David Attenborough”

In honor of Earth Day, this three-part documentary series follows Attenborough as he travels from the rainforests of Costa Rica to the Scottish Highlands to reveal the fascinating ways animals use color. Through breakthrough camera technology, the film shows viewers how colors invisible to the human eye play a role in how animals interact. (ORIGINAL) **Series Premiere New**

“Shadow and Bone”

Leigh Bardugo’s bestselling “Grishaverse” novels form the basis for this fantasy drama series about the dark forces that conspire against a lowly soldier and orphan when she unleashes an extraordinary power that could change the fate of her war-torn world.
