

BEND FC TIMBERS

The Bend FC Timbers, Central Oregon's premier soccer club, is pleased to announce our outstanding summer soccer camps for 2021. BFCT Summer Soccer Camps are open to players 5 to 12 years of age. The camps are hosted at Bend FC Timbers new soccer complex at 3750 NE Purcell Boulevard.

The focus of these camps is on technical skill building (passing, dribbling, receiving, and shooting) in a fun, small-group environment. Players will be divided by age, ability, and requests in approximately a 12:1 camper-to-coach ratio.

Camps are offered from 9 am to noon or 9 am to 3 pm. Morning sessions will focus on skill building, where campers will rotate through four stations, while learning various soccer skills, such as dribbling to beat an opponent, 1v1 defending skills, combination play in small groups, and long balls. A one-hour supervised

lunch break is provided on-site. Campers are required to bring their own lunch.

Afternoons will consist of small-sided games that improve skill and have a higher touch rate than 11-a-side, with a competitive and fun element. Each day will end in scrimmages highlighting proper technique and decision-making.

BFCT camps are run by the Bend FC Timbers Soccer directors. Campers are coached by high-level and skilled BFCT staff coaches and assisted by current and former competitive local players.

Our goal is to welcome and teach all levels of soccer players while helping them to love the game!
