In Focus

"Flatbush Misdemeanors" (Show-time — series premiere, May 23)

Series creators and writers Kevin Iso ("High Fidelity") and Dan Perlman ("That's My Bus!") also take the starring roles in this new character-driven comedy series about city life, specifically how two socially awkward longtime buddies struggle to climb out of their own heads and start to thrive in their new surroundings of Flatbush, Brooklyn. That will require them to make some connections with other humans, though, which isn't easy for either of them. Kristin Dodson co-stars.
