#### Employment Opportunities

The Blue Mountain Eagle, a family-owned weekly newspaper in a stunningly beautiful Oregon community, seeks an energetic, dedicated reporter.

The Eagle is located in John Day, where seeing deer in front yards is normal and traffic is unheard of, just three hours from Bend and Pendleton. Surrounded by scenic forests and dissected by mountain streams, the location offers year-round recreational opportunities, including fishing, hunting, backpacking, camping, snowmobiling and horseback riding.

Despite the picturesque environment, the community is at the center of an evolving natural resource restoration economy, which gains statewide and even national attention.

Despite the small-town charm, the residents are engaged and politically active in local and national debates, and hard-hitting stories are never hard to find. Ongoing topics include state and federal policies, forest health, logging, public lands grazing, water supply, wildlife habitat improvements and wildfire resilience, in addition to coverage of small-town life and local government. The position offers a wealth of breaking news and enterprise opportunities.

Serving the community for more than 150 years, the Eagle is the oldest weekly newspaper in Oregon and is part of EO Media Group, an award-winning and innovative news organization with an active family of owners. This position offers excellent advancement opportunities in a company that prefers to hire from within. EO Media Group owns 13 newspapers and journals that provide accurate, fair and timely reporting about the people and issues impacting the communities we serve in the Pacific Northwest, reflecting the responsibility and spirit of a free press.

We seek a journalist who is passionate about local news and excited about the opportunity to publish in print, online and through social media. Candidates must be able to develop story ideas, take photographs, develop sources, prepare website and social media updates and work in a cooperative team environment.

Journalistic integrity is a must.

Journalism education or experience is required for this full-time (37.5 hours per week) position. Benefits include health insurances, paid time off, and a 401(k)/401(k) Roth retirement plan. To apply, go to <https://eomediagroup.applicantpro.com/jobs/>, and upload resume, letter of interest and three or more clips.

OSU-Cascades is seeking a full-time, classified (Union represented) Science Laboratory Preparator. This position provides support to science laboratory teaching programs by preparing chemistry or biology laboratories for use by students and faculty.

To view the full position description and apply, visit the OSU jobs site at <https://jobs.oregonstate.edu/postings/100339>. Full consideration date is 05/21/21 and closing date is 05/30/21.

tion Service (NRCS) announces the availability of a Draft Watershed Plan-Environmental Assessment (Draft Plan-EA) for the Lone Pine Irrigation District Infrastructure Modernization Project. Lone Pine Irrigation District proposes to realign the District's conveyance system to achieve optimal efficiency of water delivery and reduce costs, construct a new river crossing at the Crooked River and enter the District from the southern boundary, install 10.9 miles of pressurized buried pipe, and decommission 9.7 miles of open canal. The proposed project would improve irrigation water management and delivery, reduce district operations and maintenance costs, and enhance streamflow in the Deschutes River. The Deschutes Basin Board of Control is the project sponsor and Lone Pine Irrigation District is the project co-sponsor. Farmers Conservation Alliance is assisting NRCS in this planning process. The proposed improvements may be partially funded through the Watershed Protection and Flood Prevention Act of 1954 (PL 83-566).

The proposed project is located in Crook, Jefferson, and Deschutes Counties, Oregon. The National Environmental Policy Act and the Council on Environmental Quality's regulations at 40 CFR

1500-1508 require evaluations of the potential effects of federally funded projects on human and natural resources. These evaluations include input from the public. NRCS has reviewed the potential impacts of the project and released a Draft Plan-EA for public and agency review.

**You are invited to attend a virtual public meeting** to provide input on this project. At the virtual meeting, project partners will present the range of resource issues associated with the project and alternatives to addressing system improvements in Lone Pine Irrigation District. The presentation will be followed by a question and answer session.

**Date:** May 5, 2021  
**Time:** 6:00 PM to 7:00 PM

**Register at:** [www.oregonwatershedplans.org](http://www.oregonwatershedplans.org)

The meeting will be held virtually using Zoom. A recording of the meeting will be available afterward at the same website. Media inquiries should be sent to Margi Hoffman at [margi.hoffmann@fcsolutions.org](mailto:margi.hoffmann@fcsolutions.org).

Comments on the Draft Plan-EA may be submitted during a public comment period starting April 20, 2021 and ending on May 20, 2021. You can view the complete Draft Plan-EA and other project information online at [www.oregonwatershedplans.org](http://www.oregonwatershedplans.org).
