Softball

Continued from B1

"I was 10 years old and I didn't know what work ethic meant," Mauldin recalled, "But it made an impression upon me that he didn't like what I was doing by the way he said it?

Fast forward to 2016, and the pitcher Mauldin was workvith went home in tears. "I told my wife that I was the meanest, worst coach alive," Mauldin. "Because I made a 10-year-old cry." "Effort" was then scrapped from his vocabulary when working with his team. Instead, when the team would be playing flat, the word "energy" became the motivating word of choice. "Your energy is how positive you are and the energy you are putting out there," said sophomore Gracie Goewey. "Effort is how hard you are trying — I think everyone out here is trying their hardest." It has paid off for the Lava Bears, morphing them into a team of doers. When the COVID-19 pandemic canceled their 2020 season days before their first game, they did not stop working together. The team wrote a book titled "Zombie, I guess," for which each player wrote a chapter. The players remodeled the locker room located behind the team's dugout and built an indoor batting cage. Players' pets were used as weights for teamwide squat challenges when they were not able to practice together. Those times were fun, but the real fun started in April of this year, when Bend High was able to take the field for the first time since May 2019. In 2021, the Lava Bears have been nothing short of dominant. They have won 16 of their 17 games, with 13 shutouts. Rarely do their games last more than five innings due to mercy rules. The Bend pitching has been so dominant that entering the May 15 game at Eugene's Shel-don High — the defending 6A state champion — 59 of the 61 outs came by strike out. That left the coaching staff worried about how prepared the team's defense would be in a game

Panthers

Continued from B1

"We're thrilled we were able to do this and it turned out the way it did. The performances were great."

MEGA MILLIONS The numbers drawn Friday night are:

(6)(9)(17)(18)(48)(8) x3

results

The estimated jackpot is now \$515 million.

As listed at www.oregonlottery.org and individual lottery websites

Dean Guernsey/The Bulletin Bend High softball pitcher Addisen Fisher practices on Tuesday.

"We are playing better teams now and we like that. It is no knock against the teams that we have played. We knew what we had pitchingwise and we knew it was going to be tough to beat us."

- Tom Mauldin, **Bend High softball coach**

where plays in the field would have to be made. (Bend won 3-1.)

Six of the Bears' contests have ended in either perfect games or no-hitters.

"It is a lot easier for me," said Bend catcher Sophia Weathers. "Because I know when I give a sign, I know I can expect the pitch to go where it is called. Since I work with them everyday, even when they make a mistake, I know where the mistake is going to go. It makes my iob a lot easier because I don't have to drop and block everything. It's right to the mitt."

That 10-year-old that Mauldin sent home in tears is now

second nationally with a .15 team earned run average.

"We kinda knew that we were going to be good," Fisher said. "But we didn't think that this is where we would be."

This season, without a state tournament and a regional-based schedule, is a tricky one to gauge. On one hand, the record and stats look great. But the level of competition is not always consistent.

"We still manage to practice hard and make sure we are giving our best effort," Parker said. "When you play teams that are not at your same level, sometimes you play down. But we never do."

Wins over Ridgeview and Sheldon, both defending state champions in their respective classifications, have been statement wins for the young Lava Bear program and why Saturday's game against an unbeaten McNary team is being viewed as a championship game.

"We are looking at it as a couple of state championships," said Mauldin of the games against Sheldon and McNary. "We are playing better teams now and we like that. It is no knock against the teams that we have played. We knew what we had pitchingwise and we knew it was going to be tough to beat us."

Bend is still a young team, as only two of the 15 players on the varsity roster are seniors. Once the state tournament returns next year, there are aspirations of competing for a state title.

All it took was a little "energy" a couple of years ago.

'It is amazing how that came full circle with this group when they were younger, switch-ing to energy and they started to thrive on it," Mauldin said. "They seem to get better with it they don't lose focus."

Reporter: 541-383-0307,

brathbone@bendbulletin.com

Jeff Roundtree, **Redmond girls golf coach**

Mercedes Marriott, of Crescent Valley, won individual honors with a 13-over-par 85. Crook County's Merritt O'Gorman finished second with a 92.

Leading the way for Redmond was third-place McKenzie Richardson (95), fourth-place Klanci Hinton (96), and Elizabeth Richardson (97), who tied for fifth. Bayley Gustaveson finished 13th (105) for the Panthers.

"We're thrilled we were able to do this and it turned out the way it did," Roundtree said. "The performances were great. Scores don't matter to me. My philosophy is match play — try to teach them how to play hole by hole and shot by shot. We try to limit the major errors. If we get in trouble, we play out of it."

The 16-team 5A final was organized by Thurston girls golf coach Nathan Wiedenmann. The Panthers qualified for the final through their performance at regional events at Meadow Lakes Golf Course in Prineville and Juniper Golf Course in Redmond earlier this month.

Conditions Wednesday at hilly, challenging Pine Ridge included on and off rain and wind, according to Roundtree.

But the Redmond golfers kept their cool on a demanding course on their way to the state title.

"It was a thrill," Roundtree said. "It wasn't even close. The nearest team was 29 strokes back. We really performed well on a very difficult golf course."
