

CENTRAL OREGON COURSE GUIDE

BRASADA RANCH

Co-designed by Peter Jacobsen, a Portland native who went on to play on the PGA and Champions pro tours, the desert course has a reputation for being among the region's most enjoyable layouts. Forgiving fairways keep lesser-skilled golfers in play, and challenging green complexes will test even highly skilled players, who can play from one of seven tee combinations. And every golfer should enjoy the panoramic views.

Number of holes: 18

Status: Open year-round, weather permitting
