I loved the can do attitude Jeff in the finance department exhibited. He was so helpful in helping us out of our lease and into purchasing the car. Other dealers tried to add hidden charges and did not offer any level of service. Wright Ford has gained a loyal customer and I would give them my highest recommendation!

We would give them a 10. We were treated with respect given more than fair trade in and great price on the truck we purchased. What more can a customer ask for?

I had a great experience buying a truck here. Everyone was very friendly and helpful. No pressure. Usually I don't buy from dealers, but they had the one I wanted and got a good deal. Very happy.

Great experience worked with Tom and Jeff. Got us exactly what we wanted and even helped us with insurance suggestions. They really went beyond and gave us a great price. I would recommend them to anyone.
