In Focus

"Impractical Jokers: The Movie"
(truTV — movie premiere, July 1)

Chris Henchy directed and co-wrote (with "Jokers" series cast Joe Gatto, James "Murr" Murray, Brian "Q" Quinn and Sal Vulcano) this 2020 faux documentary which purports to be an "origin story" for the comedy quartet. The film reveals how a humiliating high-school mishap in 1992 sends the Impractical Jokers on the road, where they compete in hidden-camera challenges for the chance to turn back the clock and redeem three of the four Jokers. Guest stars include Paula Abdul, Jaden Smith, Joey Fatone and a gentleman billed as "William Ferrell."
