Shrimp and Grits done right with rich pork belly and smoked corn grits

# Cascade Lakes brewpub remodels, transitions into culinary taproom

Story and photos BY BARB GONZALEZ • For The Bulletin

**W**hile the gondola still sits in front of Cascade Lakes Brewing Company on SW Century Drive, a reminder to invite skiers to stop on their way back from the mountain, little else remains the same at the brewpub. A significant rebranding and remodel finished in March after the brewing company was sold two years ago.
