NEWSPAPERS HAVE YOUR BACK.

We are grateful for those who have our back in this important time. The list is long, but we want to thank our first responders and front-line workers.

Especially in critical times, **newspapers have your back.** COVID-19 is a national story that is impacting you at home and at work. Your local newspaper is keeping you informed with current events in your neighborhood and is bringing communities together in these challenging times.

From the actions your local government is taking, to lists of local stores that are delivering and tips on what to do while you're at home, your local newspaper is committed to bringing you the news you need, when you need it.

WE ARE IN THIS TOGETHER
