whattheywatch

KISS guitarist/singer Paul Stanley of "Biography: KISSStory" on A&E Network

"I was and will continue to watch 'Handmaid's Tale,' although for me it's gone from a very intense and claustrophobic and jolting glimpse of a possible reality ... into female freedom fighters take on the bad guys. For me, I'm not sure if they jumped the shark or they're riding (it). ... I'm watching it with a huge dose of ambivalence."

Aisha Dee of "The Bold Type" on Freeform

"RuPaul's Drag Race.' No matter what kind of mood I'm in, it brings me joy, so I kind of go with that feeling."

Mary Tjon-Joe-Pin of "Two Steps Home" on HGTV

"We don't get to watch a lot. But we watched 'Hometown Takeover.' We watched 'This Is Us.' We started watching this series on Netflix called 'High on the Hog,' which was really, really dynamic. ... I like 'Chicago Med' because I like to think that I can diagnose people."
