What my clients are saying:

Lisa did a great job of helping us get a house in a very competitive market. She was super responsive, and developed a very good sense for the houses we would be interested in. She also knew all of the tricks that were required to get our offer accepted.

I would highly recommend her!"

Hear it from my Clients.

I had a lot of questions and Oleta listens, and has answers for me, if she doesn't she will find one. Oleta has a good understanding of what is going on in the local real estate market and I know I can trust her. I feel like the offer I made was just right and the house is perfect for me.

Thank you Oleta!
You have made a customer for life. M. Henry
