# PBM REFORMS HELP BUILD BACK BETTER

PBM  
ACCOUNTABILITY  
PROJECT

A new report shows that pharmacy benefit managers are making billions of dollars in fees that could be used to help bring down the cost of medicines. In fact, from 2017 to 2019, nearly **40%** of PBMs' gross profit was tied to a variety of questionable business practices.

**SENATOR WYDEN, YOUR LEADERSHIP  
WILL MAKE THE DIFFERENCE**
