celebrity quotes

Viola Davis of “The First Lady” on Showtime
“That’s a thing that struck me about (Michelle Obama), her absolute surety that she is somebody, that Barack doesn’t make her someone. She was someone from the moment she came out of her mom’s womb.”

Jack Osbourne of “Portals to Hell” on Travel Channel
“At the end of the day I do this hugely because I have a lot of fun doing it. And when you do an investigation that gets kind of crazy and you get a bunch of evidence, it’s really exciting, albeit scary.”

Shemar Moore of “S.W.A.T.” on CBS
“You know, we used to work out trying to be sexy, and of course we want to be sexy. But you literally have to be in shape to do this job just because of how much we’re on our feet and what’s involved physically to pull off what we do. And so I pride myself on doing as much of the stunts as they’ll allow me to do.”
